Michael, Thursday afternoon or Monday morning work well for me. A hearing on Friday may be continued and would free me up then; I can let you know if that is a better day for you. Let me know and I will set up a conference line. Also, if you let us know the topics you would like to discuss it could help us have a more productive call.

Also, would you please let me know if you consent to Enterprise producing documents to you by FTP link? It should not be too large, but we can send a CD if that works better. Thank you.

Ted,

Following the conclusion of Mr. Futreal's deposition yesterday, Tony advised he was unable to meet and confer regarding the Enterprise Defendants' discovery responses. Please provide us several dates and times when someone from your office can meet and confer this week.

Thanks,
